

Mobile Bin Lifter

MBL120-660

Maxiton bin lifter is designed as an improved version of existing bin lifters. It has a lower overall height when its fully tilted, making it suitable for sites with lower ceiling height. Coupled with carefully designed clamp, MBL120-660 has better clamping force.

Range of refuse bin:
120L, 240L, 660L

Specifications

Load Capacity: 1000 Kg

Self Weight: 300 Kg

Power & Voltage: 1.5 kW 415 V/240V [optional]

Lifting Speed : 8.5 sec

1 cycle speed: 15 sec

Dimension [LxWxH]: 1650 X 1050 X 1650 mm

Comes with Lockable Rollers
